The Internal Revenue Service (IRS) sponsors the Volunteer Income Tax Assistance (VITA) and Tax Counseling for the Elderly (TCE) Programs. The mission of these programs is to provide free basic tax return preparation for low-to-moderate income and elderly taxpayers. This also includes taxpayers with disabilities, limited English proficiency and the Military. Volunteers participating in these programs must sign a Form 13615, Volunteer Standards of Conduct Agreement - VITA/TCE Programs. These agreements require them to provide high quality service and uphold the highest ethical standards.

In accordance with federal law and the Department of the Treasury - Internal Revenue Service policy, discrimination against taxpayers on the basis of race, color, national origin (including limited English proficiency), disability, sex (in education programs or activities), age or reprisal is prohibited in programs and activities receiving federal financial assistance. Taxpayers with a disability may request a reasonable accommodation and taxpayers with limited English proficiency may request language assistance to access service. To report unethical behavior to IRS, e-mail us at wi.voltax@irs.gov.

If a taxpayer believes he or she has been discriminated against, a written complaint should be sent to: Operations Director, Civil Rights Division, Internal Revenue Service, Room 2413, 1111 Constitution Avenue, NW, Washington, DC 20224. For all other inquiries concerning taxpayer civil rights, contact us at the mailing address or email us at edl.civilrights.division@irs.gov. Do not send tax returns or other tax-related information to the Civil Rights Division office or email address.
